Remember, it is illegal to park in the Batsto Visitor Center lot after dark. The forestry sanctioned night rides listed above are for JORBA members and others who participate in Wharton State Forest's bicycle trail maintenance.

The Jersey Off Road Bicycle Association is an IMBA affiliated non-profit organization, incorporated in 1999 to represent the rights of off-road bicyclists in NJ and to coordinate and promote volunteer efforts.
JORBA chapters help maintain the trails at Wharton, Estell Manor, Allaire, Belleplain, Mercer, Allamuchy, Six Mile Run, Ringwood and other parks and forests throughout New Jersey.

*Why does a Mountain Biker with any number of years on the trail need to be a member of JORBA?
Truth is, you may not NEED us at all, but we need you. We could use some extra hands.
For every mile of single track, there is a handful of JORBA members whose opinions, insights and sweat went into that trail's creation.*

Trail Descriptions

Fire Tower Trail: Beginners will enjoy following the green circle markers for a fun easy six mile ride.

Penn Branch Trail: This is the big nineteen mile loop marked with orange circles that overlaps and extends the Fire Tower Trail. The terrain is not difficult, but this trail is recommended for experienced riders because of its length.

Huckleberry Trail: This fun swoopy three mile trail is marked with blue circles and bisects the Penn Branch Trail to provide riders with an apprx. eight mile loop from/to the parking lot.

Oak Hill Trail: This apprx. two mile long trail is marked with white circles and gives riders another north/south option.

Teaberry Trail: Gives riders a 3/4 mile long connector trail between the Oak Hill and Huckleberry Trails. Marked with red circles.
